LEGAL NOTICE

INVITATION FOR BIDS
STATE OF ALASKA
DEPARTMENT OF TRANSPORTATION
DIVISION OF HIGHWAY DESIGN AND CONSTRUCTION

Sealed bids in single copy for furnishing labor, materials and equipment and performing all work on Project R-23003, EDA 07-11-02221, "D" Street 6th Avenue and "H" Street, Nome City Streets, described herein, will be received until 2:00 p.m., prevailing time July 7, 1980, in the Division Director's Office, Division of Highway Design and Construction, Island Center Building, Douglas, Alaska.

This project will consist of grading and drainage of 1,003 miles of roadway.

Principal items of work consist of the following: 27,000 cubic yards of selected material; all required construction engineering by the contractor; 200 linear feet by 36 inch

pipe conduit and 63 square feet of standard signs.

All work shall be completed in 150 Calendar Days.

The following provisions are made a part of all advertisements for highway construction contracts:

"Bidders must submit certification stating whether or not they intend to subcontract a portion of the work and, if so, that they have taken affirmative action to seek out and consider minority business enterprises as potential subcontractors. Each bidder with intending to subcontract a portion of the contract work shall make contact with potential minority business enterprises subcontractors to affirmatively solicit their interest, capability, and prices, and shall document the results of such contacts. A bidder's failure to submit this certification or submission of a false certification shall render his bid non-responsive."

Certification Form 25A320 will be included with the bidding documents.

Plans and specifications may be obtained by all who have a bona fide need for them for bidding purposes from the State of Alaska, Department of Transportation and Public Facilities, P.O. Box 1467, Juneau, Alaska 99802, at a charge of \$10.00 (including cost of assembly). Checks or money orders should be made payable to: State of Alaska, Department of Transportation and Public Facilities. Plans may be examined at the Highway Design and Construction Division, Regional Department of Transportation and Public Facilities offices in Anchorage, Fairbanks, Valdez.
