

Bering Straits dedicates building

Bering Straits President Charlie Johnson, Kawerak, Inc. President Caleb Pungowiyi, Job Kokochuruk, and BSNC first Vice-President Jerome Trigg Sr. cut a ribbon to officially open the new Bering Straits Native Corp. building in Nome. The new building was put up after the buildings housing both corporations burned to the ground last year. The dedication of the building included entertainment by the King Island dancers and remarks by BSNC chairman Lonnie O'Conner.
