Juneau, Alaska 99801

Dear Governor Egan:

I recall Bristol Bay sending a list of requests to your office regarding special impact legislation for the residents of Bristol Bay. To date, we have heard nothing from your office.

Our people are anxious to know what their State is going to do about the economic disaster the Department of Fish

and Game predicts for this coming year. The very least should be a fishing subsidy for NOT fishing.

Enclosed you will find a list of the points we sent to you on January 21, 1974. We are certain you have considered our problems in depth and we would like to know what you have planned to help the residents of Bristol Bay.

Very sincerely,

Bristol Bay Native Association
