

PUBLIC NOTICE STATE OF ALASKA

The Department of Health & Social Services has released the draft Healthy Alaskans 2000 state health plan for public comment. This plan is based on the national disease prevention and health promotion objectives for the "Year 2000" and highlights the health status of Alaskans as measured by these objectives. The plan is meant to establish health priorities for Alaska in terms of Alaska's major public health issues.

Agencies and individuals interested in commenting on the draft plan are encouraged to contact:

Brad Whistler, DMD
Department of Health & Social Services
Division of Administrative Services - Planning Section
P.O. Box 110650
Juneau, AK 99811-0650
(907) 465-3015

Comments on the draft plan must be received by the close of business October 29, 1993 to allow time to incorporate the information into the revised document before publication.
