

Think About It....

"At what point does it become a major health concern? Is it when the indigenous people start having a lot of health problems? Is it when the animals are in a serious state of decline? We need to warn the world to start cutting back on some of these airborne pollutants that are being emitted."

**Caleb Pungowiyi
President**

Inuit Circumpolar Conference

"When troublesome obstacles overcome you, remember the achievements of your ancestors."

**Howard Rock
Founding Editor
Tundra Times**
