"Lyman Hoffman has been a strong leader in the bush caucus and an aggressive supporter of the interests of Interior Alaska. When we have needed a friend in the House, he has always been there, quietly working for our people. He has listened to the people and put their interests first. I am happy that he is running for the Senate to fill the the vacancy caused by Senator Binkley's decision not to run. The people of the interior will be best represented by Senator Lyman Hoffman."

Rosemarie Maher, Chairman of the Board, Doyon, Ltd.

"Lyman Hoffman has been an effective and strong leader for village Alaska. He led the fight for a constitutional amendment which would guarantee subsistence rights for the villages, and was there to make sure the legislature did nothing to weaken current subsistence laws. Lyman also has worked to get the villages their fair share of state funds. As a senator, Lyman will be able to continue to protect these important village interests."

Morris Thompson, President  
Doyon, Ltd.

"I am pleased to offer my wholehearted support for Representative Lyman Hoffman in his bid for the Alaska Senate, District M. Lyman's record in his four years of service in the House has been outstanding and I am confident that Lyman will be a very effective senator. We are facing tough battles in the future and we need to send our best to Juneau, now more than ever."

Mitch Demientieff, Chairman of the Board, T.C.C.

"For the past four years in the House of Representatives, Lyman has consistently supported the needs of rural communities. He understands the politics in Juneau, and has shown us that he has the leadership ability necessary to get the job done. Let's put Lyman to work for us in the Senate."
