

Kusko 300 set

The Fifth Annual Kuskokwim 300 Sled Dog Race will start Jan. 18, 1984, in Bethel.

Meeting in Bethel recently, the Committee changed the entry format, placing a limit of 50 teams for the upcoming race. In addition, the Committee raised the entry fee to \$300 and proposed a \$35,000 purse.

First place prize money will remain at \$5,000 but prize money has been allotted for all 50 entrants who finish the race.

In another change the Committee will allow teams to be entered in the race either in the name of the owner of the team, the sponsor of the team, or the driver of the team.
