

Graphic Arts Book

"Graphic Arts of the Alaskan Eskimo" by Dorothy Jean Ray was published by the Interior Department's Arts and Crafts Board especially for the Tundra Times Banquet.

It has received early acclaim as the most comprehensive work of its kind and a fitting tribute to the Alaska Native artist.

Illustrated with 91 photographs, Graphic Arts covers Eskimo art as it was during early white exploration, how the influx of explorers changed that art, and contemporary application of Eskimo graphic forms.

The publication is now on sale and can be obtained by the public from the Tundra Times at a cost of \$1.00 per copy.
