

# **School Facility**

## **For Tyonek Let**

The Bureau of Indian Affairs has awarded a \$737,093 contract to Corvi Construction Company of Spenard, Alaska for construction of a school facility at Tyonek.

In addition to classrooms, the buildings will contain kitchen, multipurpose room, library, offices, gym, stage and storage rooms.

The contract also covers a sewage system, utility services site, grading, sidewalks and play areas. The new buildings will replace the existing facility built in 1930.
