Honoring Native Americans

Billy Mills, Lakota Sioux track star and 1964 gold medalist in the 10,000 meter run, speaks about Native representation in Congress during a celebration of "Native American Emphasis Week" earlier this month, sponsored by the Bureau of Land Management's Native American Program. Also coordinating the event were the U.S. Fish and Wildlife Service, the National Park Service, the Bureau of Indian Affairs, the Anchorage School District and the Federal Executive Association. BLM will also recognize Native Americans Dec. 4-8. Those who want more information may contact Ebony DeRoque at 271-5682 in Anchorage.
