I think living in a small village is great for a lot of people because a person has less of a chance of getting lonely...simply because of the continual interaction between friends, family and neighbors.

Working in a village job can be as productive, busy, and satisfying as a city job because there are usually only one or two people in each organization conducting business for the entire village.

—Marilyn Attla, Health aide  
Ruby, Alaska

# Happy Birthday To Us. Bon Voyage To You.

Help **Alaska News Nightly** celebrate its tenth birthday, and win a trip for two to any MarkAir destination.

Just write a letter explaining what Public Radio's **Alaska News Nightly** means to you and the state. If your letter is judged as the most thoughtful, you're the winner!

This is one letter you won't want to put off writing, because it must be postmarked no later than *September 30*. We'll announce the winner Friday, October 13.

Write soon.

Send your letter to: "Happy Birthday Alaska News Nightly"
