SERVING THE HEART  
OF ALASKA

**WHY ARE WE SO EXCITED?**

It seems strange that in a young state  
like ALASKA that we get so excited  
over the thought of a large building  
being built or a highway being com-  
pleted. Our 49th state has so much  
to offer that I find myself getting ex-  
cited over the fact that the people  
have so little to get excited over.

GOVERNOR OF ACTION**  
we'd all be excited
