

**In Naknek they  
know how to  
get *same day*  
service of  
copying and  
printing from  
TimeFrame in  
Anchorage.**

(If you're in Thome Bay you  
may want to call TimeFrame  
in Juneau.)

## ***That's right . . . Same Day!***

You can create a document—lets say a 25 page report—on your computer and send it by modem to TimeFrame's 24 hour bulletin board. TimeFrame staff will transfer your document to their electronic printing press for printing and binding, package up the job and deliver it to the airport for delivery back to you . . . same day if you're willing to pay the freight.

*Give us a call—we want to tell you all about it.*
