### PUBLIC NOTICE

The BIRNIRK National Landmark, LOCALLY KNOWN AS Piquiq or "Shooting Station," is a protected **HISTORIC LANDMARK**.

Under the terms of the NARL AGREEMENT, (LAND EX-change) the Ukpeagvik Inupiat Corporation (UIC) is responsible to protect, maintain and preserve from any development, the Birnirk National Historic Landmark, unless proposed development is consistent with the purposes of the Landmark designation, and such development is duly authorized.

UIC is concerned that encroachment by Piquiq residents has occurred in several instances, in violation of previous "NOTICES" that the area is protected.

Notice is hereby given, that a SITE and BOUNDARY SURVEY will be performed which will re-establish the limits to where Piquiq Campsites can be located.

Results of the Survey will be made public once completed, and a plan of action to relocate any camps from within the Landmark Boundaries will be taken.

UIC is requesting the continued cooperation of Barrow residents in protecting this important National Historic Landmark.

Any comments, questions or concerns should be directed to:
