Beaver, Alaska

A boys' 4-H Club was organized at Beaver in October with eleven boys enrolling. The officers are William Henry, president; Robert Cruikshank, vice-president; Norman Joseph, secretary; Jerry Henry, recreational leader; and Lindell Page, junior leader.

The other members are Henry Pitka, William Joseph, Roy Henry, Victor Winer, Samuel Hope, and Ulak Hope.

They have chosen the name Veralas 4-H Club. This name was arranged from the last syllable of Beaver and the first two syllables of Alaska.

Ten of the boys are working in the Handicraft Project and two are also working in the Unit A Photography Project. One member is enrolled in the Unit D Photography Project and the Electrical Project.

The club has held several work meetings and two monthly meetings. The last meeting was held on January 10th.
