ZENITH
HEARING AIDS

Zenith makes 18 different models. The Zenette, for
instance, is so tiny you wear it in the ear. For many
people it's all they need to bring the world of sound
back into focus. Ask for a free demonstration. And ask
about the Zenith After-Purchase Protection Plan.

The Quality goes in before the name goes on.

The Heritage of Alaska

narrated by Elmer Rasmussen

Most of us are so busy, we haven't time to explore the
fascinating lore of Alaska's interesting history.

That is why The Heritage of Alaska — a new type
public service presentation — brings to you priceless
stories, unusual incidents, and glimpses of outstanding
personalities.

Be our guest, each week, when the National Bank of
Alaska presents "The Heritage of Alaska" on TV and
radio. Write to us for copies of the broadcasts.
