

TOGETHER WE CAN MAKE A DIFFERENCE

I ran for office two years ago because I wanted to serve the people I have lived and worked with.

As a state representative I have worked hard to create a better life and new opportunities for rural Alaskans. The results have been positive.

I am running for the Senate so I can continue to work hard for you. I've appreciated your support in the past and I ask for that support and your vote on November 4th.

There are many challenges facing village Alaskans. By working together, we can make a difference.

"Working hard for Village Alaska"

Johne
BINKLEY
