

and CRS elections slated for March

Over 120 candidates have filed for board seats in 20 Regional Education Attendance Areas (REAs) and 4 Coastal Resource Service Areas (CRSAs).

Elections will be March 2. Usually they are in Oct., but every 10 years the state's districts are reapportioned and a judge moved the elections after lawsuits. Chugach, Iditarod and Southwest Region REAs have boundary changes. The Bering Straits and Yukon-Kuskokwim CRSAs had changes.
