OOGRUK HAULER ATV TRAILER

- 1,000+ pound payloads.
- All frame bolts Cat 8 quality.
- All frame nuts plastic lock.
- Extendable tongue.
- Built in tie downs and stake bed mounts.
- Heavy-duty dual bearing hubs.
- Goodyear Terra tires.
- 4' by 8' deck.
- Use 2 x 4's for additional bracing.
- All holes drilled.

The Oogruk Hauler comes in kit form, and can be built in several hours with simple hand tools. All you add is wood.

The kit is mailable and adaptable to suit your hauling needs.

Delivered to you anywhere the mail goes in Alaska.
