In accordance with Title 23, USC, the State of Alaska, Department of Transportation and Public Facilities has requested "Location and Design Approval" for highway improvement work on a Federal-Aid project, I-OA1-6(2) Eklutna Frontage Road.

The project would eliminate the gravel pit access road from the edge of the Glenn Highway west to the right-of-way line. The gravel pit road is located approximately 600 feet south of the Eklutna River Bridge and approximately 3500 feet south of the Eklutna Interchange.

The purpose of this improvement is to implement full access control of the Glenn Highway as approved by the FHWA. The elimination of the gravel pit access road is necessary to solve potential safety hazards.

Preliminary maps, drawings and the approved environmental documents are available for public inspection at the Department of Transportation and Public Facilities, 4111 Aviation Drive, Anchorage, Alaska. The material may be reviewed by contacting John J. Burkholder, P.E. in the Reconnaissance Section at 266-1504.
