

Deadline For Golden Days Parade Nears

All organizations or individuals planning to enter a float or other unit in the Golden Days Parade, Saturday, July 24, must have their applications into the Chamber of Commerce by July 17.

If your organization has not received an entry blank, one may be picked up at the Chamber Log Cabin, 500 First Avenue, or the information may be given by phone at 452-1105.

Late entries in the parade will be placed at the end of the parade, and not with their respective categories.

Prizes for the parade will include first and second place trophies for the two entries that are judged the best in the following categories: military, commercial, organizational, equestrian, and private. A grand sweepstakes trophy will be presented to the overall best float.
