

Alaska Urban & Community Forest Council

The Division of Forestry is seeking applicants for six open seats on this 15-member statewide advisory council. The council is a partnership of business people, local governments and community volunteers working together to promote planting and caring for trees and forests within communities throughout Alaska.

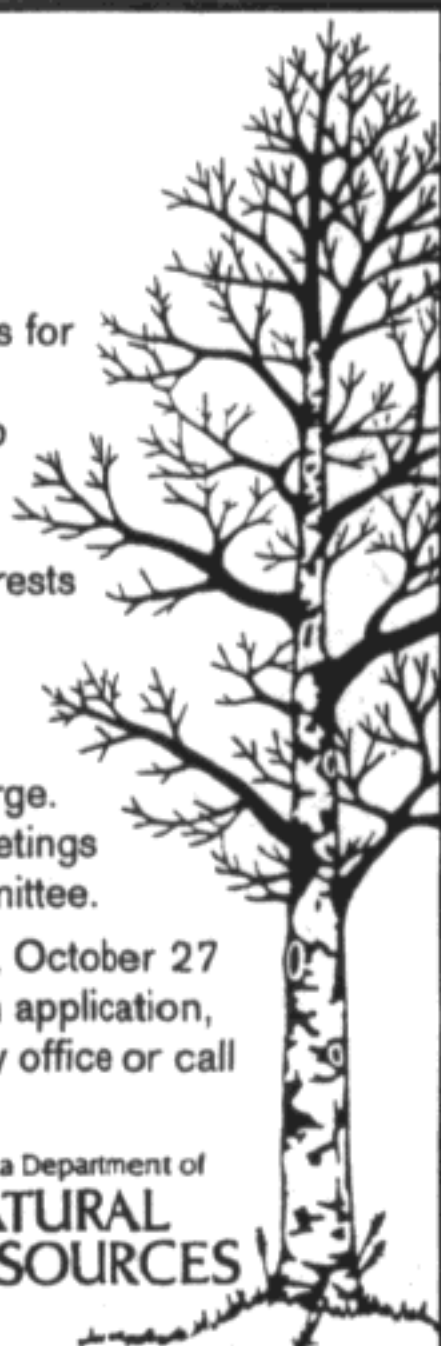

The open seats are: forester, arborist, construction/right-of-way, small community service, industry/business and member-at-large. Applicants must be able to attend all-day meetings four times each year and serve on one committee.

Applications are due by 4:30 p.m. on Friday, October 27 at the address below. For information and an application, please contact your local Division of Forestry office or call 762-2289.

TIMBERWOLF 4x4

FOUR ATVs WITH
FOUR WHEEL DRIVE
FOR GETTING ON
TOP OF THE WORLD

WOLVERINE 4x4

BIG BEAR 4x4

Yamaha offers four distinctly different 4X4 ATVs that can take you way beyond the beaten path. • The Wolverine, Kodiak, Timberwolf and Big Bear 4X4s all have powerful, reliable four-stroke engines, large front and rear cargo racks, electric starting, reverse gears, large comfortable seats and smooth long travel suspension. • They'll take you way out back - and bring you home again. •

KODIAK 4x4

- All-new Vmax 600 XT and Vmax 500 XT feature Pro-Action Plus rear suspension with 10.5 of travel, rebuildable gas shocks and adjustable spring preload.
- Vmax 800 and Vmax 800 Mountain Max™ have the only 4-cylinder engines in the industry.
- New high-flow exhaust and new carburetor settings boost horse power and top-speed on all Vmax 600 models.
- All Vmax models feature a thicker, softer seat with more leg room and better maneuverability.
- Legendary Phazer II and new Phazer II Mountain Lite™ have a sled-full of new features.

ATVs with engine sizes of 90 cc or greater are recommended for use only by those age 16 and older. YAMAHA recommends that all ATV riders take an approved training course. For safety and training information, see your dealer or call the ATV Safety Institute at 1-800-447-4700. ATVs can be hazardous to operate. For your safety: Always wear a helmet, eye protection and protective clothing; never ride on paved surfaces or public roads; never carry passengers; never engage in stunt riding; riding and alcohol/drugs don't mix; avoid excessive speed; and be particularly careful on difficult terrain.
