

# Submission for Centennial Song, One Month

All Alaska musicians and lyricists are reminded that you have only about a month left to get your Centennial Song in!

Original words and music can be a collaboration—but must be work by bona fide Alaska residents—and should be submitted on manuscript paper with piano score and separate staff for voice part.

What has "Oklahoma" got that "Alaska" hasn't?

Entries should be sent to Alaska Purchase Centennial Commission, P.O. Box 1967, Juneau, postmarked no later than midnight August 31.
