Why Listen to KABN? Read what our listeners say in these letter excerpts

".....I have never written to a radio station before, save to enter some absurd contests, but would like to commend you and your staff for providing what I think is the most outstanding music format that I have heard on any radio station both in the U.S. and overseas...."
July 26, 1985, Brad K. Smith, Asst. Prof. U. of Ariz.

".....I've lived in many parts of the country and have always been a dedicated radio listener. Without a doubt KABN is the finest station in the country. It's as simple as that."
Feb 3, 1983, Daniel Housberg, Anchorage, Alaska

".....I have just returned from your beautiful state...We were pleasantly surprised to find a great radio station-KABN. The programming was wonderful and appropriate to the area."
July 9, 1985, Marlice Thurtle, Bellevue, Washington
