Hello Fellow Alaskans -

Fifteen years ago I fell in love with greatest of the great - Alaska. My total resources and energies have been in Alaska since then. My love, belief and dedication to Alaska and Alaska Airlines is still my burning resolve. My resources and personal commitment to Alaska and Alaska Airlines will remain as I planned and programmed them - in Alaska.

Due to circumstances beyond my control, I am now no longer a principal in the conduct and control of Alaska Airlines, but I still am a major stockholder in ASA and seriously concerned with its success and its responsibility to serve the needs of all Alaskans.

Since I am an active person, I have decided temporarily to accept certain business challenges in Europe and Africa. My investments and commitments in Alaska, my home, my voting registration, will always be in Alaska. My two sons are now working in projects connected with Alaska.

I want to thank everyone I have been privileged to know in Alaska, everyone I have grown to love in Alaska, everyone I have worked with in Alaska and wish the best for all who believe in our great state and its future. Most of all, I want to thank the great Alaska Airlines family that I was privileged to be a part of.
