HOME DESIGN CONTEST

(also see display ad in this paper)

The competition has two stages. Stage one application deadline is May 29. Twenty semi-finalists will be selected from all applications. The twenty will receive contracts for \$2,000.00 each to develop a design for a home (Stage II). At the end of stage II, about September 14, ten finalists will be selected. The ten finalists, and awarded contracts of \$10,000.00 each to produce a design for a home. The ten finalists will enter into a contractual agreement with the Alaska Energy Center and comply with Alaska Energy Center rules for expenditures of contract money.

Design consideration: Applicants should consider the following:

- * new and innovative design concepts, materials, and construction techniques
- * geographic location and siting
- * use of building materials and transportation
- * conformity with FHA, VA, AFH, ASHA, HUD, etc.
- * skills needed for construction
- * energy use and conservation for Alaska climatic conditions
- * proposal for suitable performance
- * designs that are functional and aesthetically pleasing
- * design that include factors of comfort, convenience, and how design suits specific needs
- * design that include environmental impacts - air, water and visual qualities
- * use of local materials and labor
- * these items are not necessarily listed in order of importance.

Applicants must provide:

- 1. Design concept and approach
- 2. Personal experience/qualifications and access to professional help for preparation services
- 3. Estimate energy savings over conventional design
- 4. Geographic and climatic region where design will be most appropriate
- 5. Home size - which category (see display ad in this paper)
- 6. Construction techniques and materials
- 7. Estimated cost of home - materials and labor
- 8. Any other information the designer feels might assist in the selection process

DEADLINES & LIMITATIONS: Application deadline is May 29, 1981. If received after that date, applications must be postmarked by May 24, 1981.

Applications are limited to six pages (11" x 11") including drawings.

Applications of greater length will be disqualified.

Independent designer or organization is limited to no more than 3 employees of Alaska Energy Center, members of the Home Design competition, review committee members of the Center's Board of Directors, or whose families are not eligible for competition in Home Design Competition.

CONFIDENTIALITY: While the Alaska Energy Center is sensitive to the need for protection of ideas, designs, legal and administrative preclude the Center from guaranteeing the secrecy of competition submissions.

MORE INFORMATION: For more information, write Alaska Energy Center, 619 11th Ave. Fairbanks, AK 99701. Applications should be sent to the same address, 907-452-5400.

INVITATION FOR BIDS STATE OF ALASKA DEPARTMENT OF TRANSPORTATION AND PUBLIC SAFETY DIVISION OF HIGHWAY DESIGN AND CONSTRUCTION

Sealed bids in single copy for furnishing of labor, material, and equipment, and for the construction of Project F-035-4(10) Parks Highway from mile 188.0 to mile 190.0, as described herein, will be received until 2:00 p.m. prevailing time, June 11, 1981, at the Highway Design Office, Division of Highway Design and Construction, Island Center Building, Fairbanks, Alaska.

This project will consist of shoulder paving along 45.10 miles of roadway in the Fairbanks area.

Principal items of work consist of the following: 89 miles of reconstruction completed of 1.0 percent construction surveying by the contractor.

Alternate "A" C55-1 emulsified asphalt for prime coat; 1,950 tons of C55-2 asphalt for surface treatment; 1,950 tons of C55-3 asphalt for surface treatment; 5,860 tons of C55-4 asphalt for surface treatment.

Alternate "B" 2,900 tons of C55-1 emulsified asphalt for prime coat; 1,950 tons of C55-2 asphalt for surface treatment.

All work shall be completed in 120 Calendar Days.

In accordance with requirements set forth by the "Federal Highway Administration", the following provisions are made a part of the contract documents for highway construction contracts:

"The Department has established a Fair Chance Program for Minority Enterprise (FME) participation goal of 2.0 percent for this project. Bidders are encouraged to submit a completed FME certification form (FME-200) with their bids. Bids for firms owned and controlled by minorities and 1.0 percent for firms owned and controlled by women.

Where no goals are specified for a project, bidders must submit certifications stating whether or not they have taken affirmative action to seek out and consider female and minority as potential subcontractors. Bidders must submit a completed FME certification form (FME-200) with their bids. Bids for firms owned and controlled by minorities and 1.0 percent for firms owned and controlled by women.

Where percentage goals are specified for a project, bidders must submit a completed Female and Minority Enterprise Goals Report, Form 25A325 8/80, attached to the proposal. Proposals will not be considered without a completed Form 25A325 attached.

Forms 25A320 or 25A325 will be included with the bidding documents.

Bidders that submit false information or that fail to meet Female and Minority Enterprise Goals and fail to demonstrate sufficient reasonable efforts will be ineligible to be awarded the contract.

One set of plans and specifications for this project is available for a bona fide need for them for bidding purposes from the Chief of Engineering Services, Division of Highway Design and Construction, Alaska 99802. All mailings shall be by first class mail. Plans may be examined at the Highway Office of the Regional Department of Transportation and Public Facilities Offices in Anchorage, Fairbanks, Valdez, and Sitka.
