# INVITATION FOR BIDS STATE OF ALASKA DEPARTMENT OF TRANSPORTATION AND PUBLIC FACILITIES DIVISION OF HIGHWAY DESIGN AND CONSTRUCTION

Sealed bids in a single copy for furnishing all labor, materials, and equipment, and performing all work on project A80661, Main Road R.V. TRANSPO 25-32-27, are being received until 2:00 P.M. prevailing time, May 4, 1981, in the Division Engineer's Office, 201 Peger Road, Fairbanks, Alaska 99701.

This project will consist of the installation of two sanitary dump stations and grading of three recreational areas.

Principal item of work consists of the following: two (2) each, 2,000 gallon sanitary dump stations.

All work shall be completed by June 1, 1981.

The following provisions are made a part of all advertisements for highway construction contracts:

"Bidders must submit certifications stating whether or not they intend to subcontract a portion of the work and, if so, that they have taken affirmative action to seek out and consider minority business enterprises as potential subcontractors. Each bidder intending to submit part of the contract work that make contact with potential minority business enterprises subcontractors to affirmatively solicit their services, capability, and prices, and shall document the results of such contact. A bidder's failure to submit this certification or submission of a false certification shall render the bid nonresponsive."

Certification Form 25A320 will be included with the bidding documents.

Plans and specifications may be obtained by all who have a bona fide need for them for bidding purposes from the Regional Engineer's Office, 2301 Peger Road, Fairbanks, Alaska 99701. Plans may be examined at the highway office of the Regional Department of Transportation and Public Facilities, Anchorage and Fairbanks. Award of this contract is contingent upon funds becoming available.

STATE OF ALASKA  
DEPARTMENT OF  
NATURAL RESOURCES  
DIVISION OF FOREST,  
LAND AND WATER  
MANAGEMENT  
SOUTHCENTRAL DISTRICT  
941 East Dowling Road  
Anchorage, Alaska 99502  
PUBLIC NOTICE UNDER  
11 AAC 55.250

Subject to the provisions of 11 AAC 55.250, notice is hereby given that the State of Alaska, Department of Natural Resources, Division of Forest, Land and Water Management is proposing to classify and reclassify certain lands owned by the State as public lands. The purpose of this classification action is to provide land for private ownership at mandated AS 38.04.020.

The lands proposed for classification by geographic area and legal descriptions are as follows:  
Land in the Big River  
Big River Area, 115,760 acres within T12N, R27W, S.M., T21N, R28W, S.M., T21N, R29W, S.M., T22N, R28W, S.M., T22N, R29W, S.M., T23N, R28W, S.M., T23N, R29W, S.M., T24N, R30W, S.M., and T24N, R30W, S.M.

Maps detailing the above described areas and classification action may be reviewed at the Southcentral District Office, 941 East Dowling Road, Anchorage, Alaska. Any comments, objections, or expressions of interest pertaining to the proposed classification action must be submitted to the Division of Forest, Land and Water Management at the above address on or before 4:30 p.m. on May 18, 1981 in order to be considered.

A public hearing will be held on this proposed action at the request of at least 25 Alaska residents. The Division of Forest, Land and Water Management reserves the right to waive technical defects in this publication.

Request for Statement of Intent  
to Bid

Mutual Help Indian Housing Projects  
The North Pacific Rim Housing Authority in compliance with Federal regulations regarding Indian Preference in contracting, will receive until May 15, 1981, requests for information from Indian-owned Economic Enterprises, to respond to a limited award of contract for bids for the construction of the following Mutual Help Indian Housing Projects:

- Enlight Bay - HUD Project No. AK-15-3 - Consisting of eighteen (18) single family dwelling units, including roads and site utilities.
- Port Graham - HUD Project No. AK-15-4 - Consisting of thirty-one (31) single family dwelling units, including roads and site utilities.
- Tatitlek - HUD Project No. AK02-15-5005 - Consisting of eighteen (18) single family dwelling units, including roads and site utilities.

Prospective contractors shall submit with the Statement of Intent, evidence sufficient to establish their qualifications as an Indian organization or an Indian-owned Economic Enterprise. This evidence shall consist of:

- Evidence showing fully the extent of Indian ownership and interest.
- Evidence of structure, management and financing affecting the Indian character of the enterprise, including major subcontractors and purchase agreements; material or equipment supplied by the enterprise; and management, salary or profit-sharing arrangements; and evidence showing the firm's intent to remain in the Indian ownership.

and interest.

C. Evidence sufficient to demonstrate to the satisfaction of the IHA and HUD that the respective contractors have the technical, administrative and financial capability to perform contract work of the type and size specified and within the time provided under the proposed contract.

Responses shall be addressed to:

Derenty Tablos, Executive Director  
North Pacific Rim Housing Authority  
903 Pomeroy Street, Suite 203  
Anchorage, Alaska 99501

STATE OF ALASKA  
DEPARTMENT OF COMMUNITY  
AND REGIONAL AFFAIRS  
POTENTIAL RECOGNITION OF  
"APPROPRIATE VILLAGE  
ENTITY"

PEDEDO BAY, ALASKA  
Under Municipal Lands Trustee  
Program

Notice is hereby given that the Pededo Bay Village Council has petitioned the Department of Community and Regional Affairs for the "appropriate village entity" to provide advice and direction to this department. AS 47.15001 and 19 AAC 90.010-990 in connection with the Department of Community and Regional Affairs, Alaska, and the State in trust for a future municipality in Pededo Bay, Alaska, and the State in trust for a future municipality in Pededo Bay, Alaska, Native Claims Settlement Act. Any other entity wishing to be considered for recognition as the "appropriate village entity" to represent the views of Pededo Bay residents, in lieu of the above named entity, must file a petition for such recognition in accordance with 19 AAC 90.140. If there are any substantial and particular objections by bonafide residents of Pededo Bay to the above named entity representing the collective views of the residents of Pededo Bay regarding municipal trust land, or if there are other comments, they should be made known. Any petition submitted must be filed with the Municipal Lands Trust Officer, Department of Community and Regional Affairs, 221 Cordova, Bldg. "B", Anchorage, Alaska 99501, within thirty (30) days of the date of the notice. Any entity recognition will be considered further following this period, and no action will be taken by the Department of Community and Regional Affairs in accordance with 19 AAC 90.140 (c) or (d).

Dated: April 15, 1981

DATE OF PUBLICATION: 4/29/81

INVITATION FOR BIDS  
STATE OF ALASKA  
DEPARTMENT OF TRANSPORTATION AND PUBLIC FACILITIES  
DIVISION OF HIGHWAY DESIGN AND CONSTRUCTION

Sealed bids in single copy for furnishing all labor, materials and equipment, and performing all work on project SR-0863(A) and X-50082 Dayville Road Paving described herein, will be received until 2:00 p.m. prevailing time, June 4, 1981 in the Division Director's Office, Division of Highway Design and Construction, Island Center Building, Douglas, Alaska.

This project will consist of roadbed and base course paving and grading on 5,267 miles of roadway in the Valdez area.

Principal items of work consist of the following: 13,000 tons of hot asphalt pavement. Lump sum items includes construction engineering by the contractor.

All work shall be completed by October 31, 1981.

In accordance with requirements set forth in the Federal Highway Administration", the following provisions are made a part of all advertisements for highway construction contracts:

"The Department has established a total Female and Minority Business Enterprise (FMBE) participation goal of 30 percent for this project composed 40 percent for firms owned and controlled by minority and 30 percent by women.

Where no goals are specified for a project, bidders must submit certifications stating whether or not they intend to subcontract a portion of the work and, if so, that they have taken affirmative action to seek out and consider minority business enterprises as potential subcontractors. Each bidder shall submit a completed FMBE Certification Form 25A320 8/80, attached to the proposal. Proposal will not be considered without a completed Form 25A320 attached.

Where percentage goals are specified for a project, bidders must submit a completed FMBE Certification Form 25A320 8/80, attached to the proposal. Proposal will not be considered without a completed

Form 25A320 attached."

Forms 25A320 or 25A325 will be included with the bidding documents.

Bidders that submit false information or that fail to meet Female and Minority Business Enterprise goals and fail to demonstrate sufficient reasonable efforts shall not be eligible to be awarded the contract.

One set of plans and specifications may be obtained by all who have a bona fide need for them for bidding purposes from the Chief of Engineering, 2301 Peger Road, Fairbanks, Alaska 99702. All mailings shall be by first class mail. Plans may be examined at the Highway Office of the Department of Transportation and Public Facilities offices in Anchorage, Fairbanks, Valdez.
