

Head Start Grad Complains His Name Left Out in Group

Togiak, Alaska
Aug. 15, 1966

Mr. Howard Rock:

I don't see any reason why you never put my name in newspaper.

With the rest of the Head Start teachers.

I was the only person who was left out from the whole group of Head Start teachers. All these people over here in my Village they are already

start thinking that I didn't make to be a Head Start teacher cause my name was left out from the rest of the groups. If possible try to put my name in next newspapers.

Nothing for now.

Thank you,

Andrew Franklin
