

WE'RE HELPING TO KEEP THE ARCTIC GREEN.

During February and March of 1974, A.I.A. airlifted 33 flights of building materials, fuel, and camp units for temporary housing to Nuiqsut, 200 miles east of Pt. Barrow. Which was our way of helping Inupiat Builders provide new homes, a new clinic, school, store, power plant, post office, jobs for more than 30 men, and the kind of economy that will stay green long after the next snowflake falls.
