

# Harnessing the Potential of Rural Alaska

**Walter Hickel, economic vision for Alaska:**

"We can combine the opportunity for jobs with culture and tradition."

**Walter Hickel, economic advocate for Alaska's fisheries:**

"With the right technology, we can have year-round fishing and create steady jobs for Alaskans."

**Walter Hickel, revitalizing the economy of rural Alaska:**

"When we put our resources to work, we put Alaskans to work."
