Matthew Iya was incorrectly identified in two articles in the Aug. 11 *Tundra Times*. Iya is a member of the Alaska Eskimo Walrus Commission.

Also, in the July 28 issue, the credit for the photo of the late Dr. Della Keats was inadvertently omitted from page one. The photo was taken by Jane Pender.

In the June 23 issue, the article on the Della Keats Summer Enrichment Program should have stated that of the University of Alaska CREE's commitment, \$5,000 was in-kind funds, while \$13,000 was in cash.

The *Tundra Times* regrets the errors.
