

New Year's celebrated the fun way in Unalaska

by Mike Barber

On December 31, 1994, 165 people saw the New Year in without the influence of drugs and alcohol. This is the second year in a row this "Celebration of Sobriety" has been held at the Marco Roller rink in Unalaska.

Wendy and Todd Hoppe with the Bristol Bay Cellular Partner-

ship sang and layed a wide spectrum of music that had people rocking and rolling and line dancing to the "tunes."

There was no lack of food with the main courses of turkey and ham and non-alcoholic beverages furnished by the sponsors of this event and dishes brought in by the community!!!

This event was sponsored by the Qawalangin Tribal Council,

Aleutian/Pribilof Islands Association and the Ballyhoo Lions Club.

This was a fantastic family/community event. We rang in the New Year sober and woke up New Years Day with a clear mind.

Thanks to everyone who helped and attended. Let's do it again next year!!!
