**NOTICE OF PROPOSED CHANGES IN THE
REGULATIONS OF THE DEPARTMENT OF
ENVIRONMENTAL CONSERVATION**

Notice is hereby given that the Department of Environmental Conservation, under authority vested by AS 46.03.020(10)(D), proposes to amend regulations in Title 18 of the Alaska Administrative Code to make specific AS 46.03.720, as follows:

(1) 18 AAC 72.060(b) is amended as follows:

The engineering reports, plans, and specifications shall be prepared, signed, and sealed by a disinterested professional (civil) engineer with demonstrated competence in the field of sewerage system and treatment works design and registered in the State of Alaska.

(2) 18 AAC 72.100 is amended by adding new provisions as follows:

(6) "disinterested" means absence of financial interest in the project except reimbursement for professional engineering services rendered.

18 AAC 72.100(6) through (24) would be renumbered accordingly.

Notice is also given that any person interested may mail written statements or arguments relevant to the action proposed to Pouch O, Juneau, Alaska, before 4:30 p.m., on December 31, 1973.

The Department of Environmental Conservation, upon its own motion or at the instance of an interested person, may thereafter adopt the above proposals substantially as set out above without further notice.

Dated: 20 November 1973

Max C. Brewer
Commissioner
