

## The star-spangled street where you live

You can't always see the stars and stripes on the homes and apartments in your neighborhood, but they're there just the same.

A big percentage of American families own U.S. Savings Bonds. Many of these star-spangled families have been buying Bonds since they were first issued 25 years ago.

Altogether, Uncle Sam has sold \$150 billion in E and H Bonds. About \$100 billion of these have been cashed in for college, retirement, new furniture, emergencies, and down payments for those homes.

Americans still own a nest egg of nearly \$50 billion in Bonds for tomorrow's needs. And as the nest egg grows, Uncle Sam uses the dollars to help support our fighting men in Vietnam—and help keep our economy strong.

You can help make Uncle Sam's future, and your own, more secure by joining this star-spangled savings plan.

Why not start now? Sign up for Payroll Savings where you work, or buy Bonds regularly at your bank.
