***... and the unemployment problem  
is greatest in Rural Alaska ...***

**Chancy Croft has a plan to create  
thousands of jobs in rural Alaska**

**“As Governor**

I will use the newly created fund for capital improvements to pay for schools, water and sewer facilities, ports, roads, airports, and power generation in rural Alaska. Using my plan for local hire this will create thousands of jobs during construction and provide economic stimulus to create permanent long term jobs for rural Alaskans.”
