Buy Bonds where you work.

He does.

He works for his country—a traveling man. Like seven out of ten government employees, he invests in U.S. Savings Bonds. He saves for the future—his own and America's when he puts something into U.S. Savings Bonds every payday. Bonds are a good deal. They earn a good return and make you feel good when you buy them. Buy Savings Bonds where you bank or join the Payroll Savings Plan where you work. You'll walk a bit taller.

U.S. Savings Bonds
