Resolution Serial No. 74-1
A RESOLUTION RELATING TO
THE ESTABLISHMENT OF
EDUCATIONAL TELEVISION
WITHIN THE BOUNDARIES OF
THE NORTH SLOPE BOROUGH.
WHE REAS, public television can
be an important med: for communication between the resident of Barflow and other villages within the

North Slope Borough, and, WHE REAS, educational television can provide materials for viewing that are not available from most commercial television sources, including in-

formation and by culturally enriching programming. WHEREAS, there appears to be little opportunity to find any private enterprise that will enter the field of educational public television with programming that would allow locally produced programs utilizing both English and the Inupait Eskimo lan-

In produced programs utilizing both English and the Inupait Eskimo languages in additional educational programming produced by the public broadcasting system and other commercial sources, at low cost to the community, and,

WHEREAS, the planning commission of the North Slope Borough as the licensee for an educational station for the Barrow area, and

WHEREAS, it has been determined by the planning commission that full implementation of this program would be beneficial for the people of the North Slope Borough. Upon further development.

NOW THEREFORE BE IT RE-SOLVED, by the Planning Commission of the North Slope Borough that the Borough School Board proceed with the necessary requirements finalizing the establishment of an ed ucational public television station for the Barrow area, and be it further resolved that a three person commis sion be established by the Borough School Board, who be responsible for the operation and administration of the educational public television station, and be it further resolved that the City Council of Barrow is urged to concur in this arrangement and permit the North Slope Borough School Board to proceed.
