

It is not worth producing one ton of Red Dog ore, if in the process, a worker is injured. We take great pride in our ability to do our job right and this includes doing it safely. All of us from the manager to the newest employee, have the responsibility to work safely and to avoid injury to ourselves and our coworkers. This applies not only on the job, but off the job and at home.

"...Thanks to the Alaska Public Radio Network, the latest report on the Valdez oil spill is as close as a radio dial."

—Anchorage Daily News, Editorial

"...APRN really keeps me up to date on what goes on around the state. Not just the oil spill coverage, but beyond that... It's tremendously useful to me."

—Senator John Binkley, Bethel

"...APRN's coverage has been thorough, excellent, and professional"

—Roy Huhndorf, President
