

# Now it's the Reindeer summit

Dear Invited Participants:

The Traditional Council of Togiak is acquiring the Reindeer Herd on Hagemeister Island. With this comes a new and different responsibility: Reindeer Husbandry. The council is wishing to develop a sound management plan for the deer, but we need help.

To accomplish this goal, we are sponsoring a Reindeer Conference in Togiak, Feb. 26 and 27.

For more information or to make arrangements to attend, call Gary Carlos at 493-5120 or Traditional Council office at 493-5920. Thank you.

Sincerely,

Stanley Active, Sr.

President

Traditional Council of Togiak
