### INVITATION FOR BIDS STATE OF ALASKA DIVISION OF HIGHWAY DESIGN AND CONSTRUCTION

Sealed bids in single copy for furnishing all labor, materials and equipment, and performing all work on Project G-10118, McGrath-Cranberry Ridge Road described herein, will be received until 3:00 p.m. prevailing time, September 8, 1977 in the Deputy Commissioner's Office, Division of Highway Design and Construction, Island Center Building, Douglas, Alaska.

This project will consist of grading on 1.0 mile of local service road.

Principal items of work consist of the following: 11,800 cubic yards of borrow and 2,300 cubic yards of selected material.

All work shall be completed in 45 Calendar days.

In accordance with requirements set forth by the "Federal Highway Administration", the following provisions are made a part of all advertisements for highway construction contracts:

"bidders must submit certifications stating whether or not they intend to subcontract a portion of the work and, if so, that they have taken affirmative action to seek out and consider minority business enterprises as potential subcontractors. Each bidder intending to sublet part of the contract work shall make contact with potential minority business enterprise subcontractors to affirmatively solicit their interest, capability, and prices, and shall document the results of such contacts. A bidder's failure to submit this certification or submission of a false certification shall render his bid nonresponsive."

Certification form (14-60) will be included with the bidding documents.

Plans and specifications may be obtained by all who have a bona fide need for them for bidding purposes from the Chief Road Design Engineer, P.O. Box 1467, Juneau, Alaska 99802 at a charge of \$10.00 (non-refundable) for each assembly. Checks or money orders should be made payable to: State of Alaska, Department of Transportation and Public Facilities.
