## LEGAL NOTICE

ADVERTISEMENT TO BID  
NOTICE TO CONTRACTORS  
INVITATION FOR BIDS

Sealed bids will be received from contractors by the North Slope Borough in care of Crews, MacInnes & Hoffman, Consulting Engineers, at the offices of Construction Systems Management, Inc. (CSM), 835 "D" Street, Anchorage, Alaska 99501 for the Kaktovik Alaska electrical distribution system. Bids will be accepted until 2:00 p.m. local time, August 30, 1977, and then at said office will be publicly opened and read aloud.

The work consists of, but is not limited to, the furnishing of all labor, materials, and supervision to install an electrical distribution system consisting of approximately 6000 feet of 600 volt cable, 65 poles and 50 service drops along with transformers and other apparatus for a complete distribution system.

For the convenience and review of subcontractors and suppliers, complete sets of Contract Documents are on file at the following locations:

Associated General Contractors  
Alaska Chapter  
3201 Spenard Road  
Anchorage, Alaska 99503

Associated General Contractors  
Plan Room  
1416 Gillam Way  
Fairbanks, Alaska 99701

Northwest Construction Council  
(AGC)  
1200 Westlake Ave. North  
No. 310  
Seattle, Washington 98101

North Slope Borough  
P.O. Box 69  
Barrow, Alaska 99723

Contract documents may be obtained upon deposit of Twenty Dollars (\$20.00) per set. Deposits will be returned within 10 days after bid opening upon return of documents in good condition. Checks to be made payable to Crews, MacInnes & Hoffman, Consulting Engineers. Documents may be obtained from:

Crews, MacInnes & Hoffman  
Consulting Engineers  
4111 Minnesota Drive  
Anchorage, Alaska 99502

Bid security will be required with each bid as set forth in instructions to Bidders. Performance and payment bonds will be required of the successful bidder.

Bids may be held by the North Slope Borough for a period not to exceed thirty (30) days from the date of opening of bids for the purpose of evaluating and reviewing bids prior to award.

It is the intent to award the contract within ten (10) days of bid opening and to complete the project within ninety (90) days after execution of the contract.

All bidders are to have a valid Alaska Contractor's License and current Alaska Business License. Contractor's attention is directed to Alaska State Statute title "08 Chapter 18 Construction Contractors" which refers to Business and Contractor's Licenses prior to submitting a bid.

Sealed envelopes containing bids must be marked in the lower left hand corner:

Publish August 24, 31, and September 7

## LEGAL NOTICE

INVITATION FOR BIDS

STATE OF ALASKA

DIVISION OF HIGHWAY DESIGN AND CONSTRUCTION

Sealed bids in single copy for furnishing all labor, materials and equipment, and performing all work on Project HHS-0520-10), Dimond Boulevard at Victor, Arctic and "C" Streets described herein, will be received until 3:00 p.m. prevailing time, September 15, 1977 in the Deputy Commissioner's Office, Division of Highway Design and Construction, Island Center Building, Douglas, Alaska.

This project will consist of the installation of traffic signals, grading and hot asphalt paving.

Principal items of work consist of the following: 5,200 tons borrow; 765 tons crushed aggregate base; 330 tons hot asphalt pavement; 500 tons asphalt seal coat; and a traffic signal system.

All work shall be completed in 90 Calendar Days.

In accordance with requirements set forth by the "Federal Highway Administration", the following provisions are made a part of all advertisements for highway construction contracts:

"bidders must submit certifications stating whether or not they intend to subcontract a portion of the work and, if so, that they have taken affirmative action to seek out and consider minority business enterprises as potential subcontractors. Each bidder intending to sublet part of the contract work shall make contact with potential minority business enterprise subcontractors to affirmatively solicit their interest, capability, and prices, and shall document the results of such contacts. A bidder's failure to submit this certification or submission of a false certification shall render his bid nonresponsive."

Certification form (14-60) will be included with the bidding documents.

Plans and specifications may be obtained by all who have a bona fide need for them for bidding purposes from the Chief Road Design Engineer, P.O. Box 1467, Juneau, Alaska 99802 at a charge of \$10.00 (non-refundable) for each assembly. Checks or money orders should be made payable to: State of Alaska, Department of Transportation and Public Facilities. Plans may be examined at Department of Transportation and Public Facilities Office in Anchorage, Fairbanks, Valdez.
