

Eilson Chapel plays Santa

Members of the Eielson Air Force Base Chapel have been playing Santa's helpers to bring a Merry Christmas to other Alaskans.

The Catholic Parish and Protestant Group have gathered gifts for children at Kaltag, Beaver and Ft. Yukon.

The Catholic parish once again participated in their annual program to send gifts to children at Kaltag. Each year, the parishoners gather a list of the children by age and sex and they donate appropriate gifts. This year there were 106 children who received a gift given especially for them.
