

TO EARN \$25,200 FOR COLLEGE, JUST PUT YOUR MIND ON ACTIVE DUTY.

Today's Army is one of the best places around to prepare your mind for college.

There's high-technology training. Mental workouts in electronics, communications, mechanics.

You'll do some serious maturing. By meeting the challenges of living away from home, learning from new people and demanding more from yourself.

And while you learn, you'll earn. Like \$25,000 for college with a four-year enlistment. Or \$17,000 for just two years. Ask about the GI Bill Plus the Army College Fund.
