**LYNN
PIDGE'S
BRAG:**

"Of course I know something about catching wild animals. I caught a baby black bear with Ritz crackers."
—Lynn Pidge, Anchorage, Alaska.

One of a series of great brags presented by
Alaska Airlines, honoring some of the world's greatest people.
Alaskans. Because Alaskans have a lot to brag about.
And that's the truth.

Nobody knows
Alaska like Alaska
knows Alaska
