

PERMANENT FUND DIVIDEND SPECIAL ANNOUNCEMENT

If you became a resident of Alaska between April 1, 1988 and September 30, 1989, but did not file a 1989 dividend application, you are not eligible to receive a 1990 dividend under the current two-year residency requirement. That law, however, has recently been challenged in court. The State of Alaska has agreed to allow you and other new residents to file a 1990 dividend application pending the outcome of the lawsuit. In completing the 1990 dividend application you:

- should answer all questions;
- should ignore the "STOP" message on the adult form;
- should NOT sign the application;
- should NOT obtain verifying signature(s); and
- should file by the June 30, 1990 deadline.

Applying does not guarantee payment. Whether you receive a 1990 dividend depends upon the facts of your residency claim and upon the final judgment of the court in the lawsuit challenging the two-year resident law (Lindly v. Malong).

FILING DEADLINE: JUNE 30, 1990

Your application must be received in the Department of postmarked by the deadline.
