

RurAL-CAP Slated To Move to New Offices

The RurAL CAP offices will move during the second week of April to different office space, located at 1020 I Street, Anchorage. The telephone number and mailing address will remain the same.

This move is necessitated by the rising rents in the central business district of Anchorage, but one advantage of the move will be the availability of more working space per person, than is presently available.

As the telephone company will be making installations during this time, please excuse any difficulties you may have in reaching us.
