INVITATION FOR BIDS

Sealed bids will be received by the City of Fort Yukon, Alaska, in the office of Alaska Architectural & Engineering Company, 710 Third Avenue, P.O. Box 509, Fairbanks, Alaska, until 2:00 p.m., Fairbanks time, on May 5, 1970, for the general work including mechanical and electrical work, for the construction of the Fort Yukon Community Center, Fort Yukon, Alaska, and will then and there be opened and read aloud.

Plans, specifications, and form of contract documents may be examined at the offices of Alaska Architectural & Engineering Company, 710 Third Avenue, Fairbanks, Alaska; Construction Plan Bureau, 801 Barnette, Fairbanks, Alaska; Associated General Contractors, P.O. Box 3-4088, Anchorage, Alaska; Associated General Contractors, 215 West Harrison, Seattle, Washington; Plan Bureau, 172 Mercer Street, Seattle, Washington; Associated General Contractors, 1008 N.E. Mulnomah Street, Portland, Oregon; and SCAN 6815 Sixth Avenue South, Seattle, Washington; and a set of plans and specifications and forms may be obtained at the office of Alaska Architectural & Engineering Company, Architects, upon deposit of a certified check for the amount of \$50.00 (payable to Alaska Architectural & Engineering Company, Architects) for each set. This deposit will be returned to all persons who return the contract documents in good condition within a period of 15 days after date of bid opening.

Prospective bidders are hereby directed to read carefully and consider the plans and specifications and to visit the site of the work so that they may make any necessary measurements and examinations and thoroughly familiarize themselves with the conditions particularly the difficulties existing at the site. No consideration will be given to any claim that a bid was made without full comprehension of the conditions to be encountered.

Pursuant to Executive Order 11246, as amended, an Equal Employment Opportunity prime contractor and subcontractor who signs a contract on a Federally-assisted construction project are required to take affirmative action toward equal employment opportunity and are required under certain conditions to present written Affirmative Action Programs. At pre-construction conferences, the successful bidder and his known principal subcontractors shall be required to present and discuss the approach to be taken by the successful bidder and subcontractors to implement the requirements of affirmative action for equal employment and training in accordance with Executive Order 11246, as amended.

Bid Security in the form of money order, certified check or cashier's check made payable to the City of Fort Yukon, or a satisfactory bid bond executed by the bidder and acceptable sureties, in the amount of not less than five per cent (5%) of the bid will be required.

Performance bond will be required in the amount of 100% of the contract price. Payment bond will be required in the amount of 50% of the contract price. Liquidated damages for delay will be in accordance with the contract documents.

Bids must be submitted upon the forms attached to the contract documents, and the successful bidder will be required to execute the contract form attached to the contract documents.

The right is reserved, as the interest of the City of Fort Yukon, Alaska may require to reject any and all bids, to waive any informality in bids received, and to accept or reject any item of any bid.

Envelopes containing bids must be sealed, marked and addressed as follows:

Bid for Ft. Yukon Community Center, Fort Yukon, Alaska.

To be opened:

May 5, 1970

2:00 p.m.

Mr. Tom Tull, Executor

City of Fort Yukon

Fort Yukon, Alaska

lems, Wien Consolidated Airlines is working closely with The Boeing Company, Pratt and Whitney jet engine manufacturers and the Air Transport Association, Ray Petersen, President of Wien Consolidated, said today.

"The focus is on changing the fuel burner cans in the jet engines to reduce air pollutants," he said, "and as soon as these changes are approved, they will be installed on our Boeing 737 jets at regular overhaul periods."

Petersen is a member of the Air Transport Association board of directors.
