## This is a summer cottage. Your kid's education. An ocean voyage. Retirement.

Pretty practical way to look at something as patriotic as U. S. Savings Bonds, right? Well, there's nothing un-American about being practical. Which is exactly what you are when you put your savings into U. S. Savings Bonds.

Also, the money you put into U. S. Savings Bonds is obviously safe. In fact, even if your Savings Bonds are lost, stolen, or destroyed, we'll replace them.

And, in case you

have to save time as well as money, Savings Bonds are surprisingly easy to buy. You can pick them up at your bank. Or have someone else do the paperwork for you by joining the Payroll Savings Plan where you work.

Put your savings in Savings Bonds. You could eventually end up with the summer cottage *and* the college education *and* the ocean voyage *and* retirement. And whatever else you want to save for.
