

KACDC Hires Panamaroff

The executive committee of the Kodiak Area Community Development Corporation has selected Allen Panamaroff of Kodiak as executive director of the agency at a meeting on June 18.

He succeeds Dorothy Padilla who recently resigned.

Panamaroff has represented KACDC since January, 1972 on the RurAl CAP Board of Directors, a position he resigned in order to accept the job as head of the corporation.

Charles Christensen of Larsen Bay has been selected to fill that slot on the RurAl CAP Board.
