

Center sponsors second potlatch

The Eagle River Correctional Center Native Culture Group has scheduled a second Native Potlatch for March 12 and 13 at the Center.

The group sponsored a potlatch in August of 1982 which featured many Native dance groups and story tellers and traditional food.

Chuck Hunt, a member of the Culture Group, said that they are "getting good response" from people they are

contacting to participate in the event but other contributions are also appreciated.

The Culture Group has 20 to 25 people in the group.

Persons interested in participating or contributing to the potlatch should call Hunt at 694-9795 or 694-9915.
